

Prof. Dr. Human M. Fatemi graduated as a M.D. in 1999 at the “Vrije Universiteit Brussel”/Belgium with magnum cum laude. In 2005 he won the Pfizer Educational Grands as best graduate fellow in gynaecology in Brussels/Belgium.

In 2008 he was recognized as a subspecialist in reproductive medicine and surgery by ESHRE (European society of Human Reproduction) and EBCOG (European Board and College of Obstetrics and Gynaecology).

During his training and later on also as a consultant, he has performed several studies in various fields of gynaecology and reproductive endocrinology and surgery. In 2008, he successfully defended his PhD on the endocrinology of the luteal phase in stimulated and substituted cycles.

Human M. Fatemi is author of more than 80 internationally peer-reviewed articles and book chapters. He held more than 200 invited spoken presentations at international conferences around the globe.

In 2009, at the age of 35, he received the title of “clinical Professor” from the University of Brussels/Belgium. He is a visiting Professor at Dubrovnik International University/Croatia and Shahid Beheshti University of Medical Sciences in Tehran/Iran. Currently he is working as a medical director of the Middle East operations for IVI-ME in Abu Dhabi/Dubai/Muscat.

He speaks fluently 5 languages (English, German, French, Dutch and Persian)
